

No. 9 (CITY OF WANGANUI) SQUADRON ATC REPORT ON WEEKEND EXERCISE

Unit File Reference: 9 4955/-/2

INTER UNIT SPORTS DAY

A sports day for the three Wanganui Cadet Units was held on Sunday 17 June 2007. The Inter-Unit sports day was inaugurated by Flying Officer Frericks in 2004 who along with Mrs Frericks donated a trophy.

LOCATION

The sports day was held at Wanganui High School using the netball and volleyball courts along with the soccer and rugby fields. The use of Wanganui High Schools facilities provides the opportunity to hold the netball, volleyball and soccer indoors should the weather not allow any sports to be played outdoors.

PERSONNEL

Nominal role is attached.

The umpiring and referring was undertaken by a number of people including some cadets where it was known they had the necessary skills. Mrs Grant umpired the netball with Cdt Grant assisting when the TS Calliope played the Cadet Corps. Two cadets umpired the volleyball, Flight Lieutenant Cleveland the Soccer and three cadets the touch rugby.

The parents support committee of No.9 Squadron ran a barbeque and sold drinks at lunch time for those who wished to purchase food.

MEDICAL

One of the Sea Cadets fell hurting his wrist while playing netball. He was replaced on the court and Miss Smith checked his wrist. Once he had warmed up his wrist was re-checked and he was sent to the hospital for as a cautionary measure as we thought his wrist was fractured. The hospital x-rayed and plastered his wrist also as a precautionary measure and they were going to re-check in a week to 10 days. We discovered on his return to the sports day this was an old re-occurring injuring.

Sergeant Ben Sandlant leading the way in the soccer against the Sea Cadets

EQUIPMENT

Equipment for the sports where provided from a number of sources including the High School and No.9 Squadron personnel.

GENERAL

A very successful day held in cold conditions and one that the cadets enjoyed.
No.9 Squadron retained the No.9 vs TS Calliope trophy and also won the Frericks cup.
